

# Legal Services in Spain and Worldwide

Serving Companies and Individuals  
Helping them to win

LUPICINIO EVERSHEDS

# Why choose Lupicinio Eversheds ?

We have the security of more than 25 years of experience and are supported by an excellent team of lawyers, economists and external consultants.

We are part of a large firm: Eversheds International, one of the first law firms in existence on a worldwide scale and we are number one in practising law. Anglo-Saxon Law forms a significant part of the largest financial transactions and often inspires communal legislation.

Because of our commitment to foresight, we offer clear fixed budgets structured according to *project management* criteria.

*We propose models of prevision of legal services which augment efficacy and cost efficiency. We develop new ideas about fee alternatives and salary structures which are adapted according to the needs of our clients.*

*We feel proud of our clients and of our open and friendly relationship with them. We have the capacity to negotiate and co-ordinate their affairs worldwide.*

Why have so many businesses chosen Lupicinio Eversheds as their legal services provider?

*The secret of a good law firm lies in foreseeing real possibilities of success and in having the wisdom to fulfil them.*

*One cannot simply improvise the art of foresight. It is the method and virtue of experienced lawyers. This is what we offer.*

*Thank you for confiding in our team.*

## We understand your business

At Lupicinio Eversheds we emphasise group work, and thus we have a competitive, well- prepared and enthusiastic group of individuals at our disposal, through whom we guarantee optimum results.

We empathise with the business model of our clients and we always adapt to their finances and legal needs.

We understand the importance of multidisciplinary vision: every legal issue or transaction presents various perspectives. Our partners and lawyers are specialists but also all have a firm general and preventative aptitude with relation to legal matters.

We believe in lateral thinking.

## New Methods

Our clients have access to an international coherent structure, supported by a base of versatile knowledge, which continually adapts to change.

We provide the most advanced technology; with the development of methods and management systems like RAPID or International Intranet we guarantee our clients the best results in legal practice and cost reduction, and a punctual and effective control over every one of their issues.

Each of the member firms of Eversheds International, leaders in their respective markets, contributes to and collaborates in the creation of a genuinely global system.

Co-ordinated, continuous and effective communication management allows a constant and rapid connection to exist, which, in many instances, is vital to obtaining the best results.

## We are different

### **Foresight and Clarity**

Why not repeat ourselves? We feel proud of our clients, of the trust they confer in us and of our personal relationship with them which allows us to create durable, firm and productive deals.

We value the “know-how” law.

We work with imagination and without mistakes. Our broad and proven trajectory allows us to anticipate risks, to act with maximum efficiency and to offer solutions.

We have created an extranet with all necessary information and tools in order to be able to work together with maximum efficiency.

We offer solutions, not just legal analysis.
